Official Letter nº 151/2021 - IPA Brazil.

From: Presidency - IPA Brazil Section.

To: IPA National Section Chairs.

Subject: Friendship Week - IPA Brazil
(60th anniversary).

Date: 10/19/2021.

Dear Friends Presidents of IPA National Sections

In April 2022 (1st) the Brazilian Section will be celebrating 60 years of membership of the International Police Association – IPA. Due to the festive date, IPA Brazil intends to develop a week of friendship from April 23 to 30, 2022, to provide opportunities for IPA members and family members around the world to get to know the capital of Brazil, Brasília, the main symbol of architecture modernist in the world and the only city made in the 20th century to be declared a Historical and Cultural Heritage of Humanity by UNESCO, where we will have our commemorative Gala dinner. Afterwards, we want to take you to know the seventh wonders of nature, the Iguaçu Falls, and one of the new seven wonders of the modern world, Christ the Redeemer in the city of Rio de Janeiro.

From the above, I ask fellow national presidents the possibility of promoting a survey of interest with their members who demonstrate interest in participating in the Friendship Week – IPA Brazil. The request is made because we need to be aware of an approximate number of participants, in order to seek to carry out air and accommodation “blocks” for participants, since the proposed areas for visitation during the IPA Brazil Friendship Week are very popular.

With this in mind, I would like to thank you for the support requested above, and we send you the program of the event as an attachment, in which we await as soon as possible your responses to the e-mail: ipasecaobrasil@gmail.com.

Servo per Amikeco.

Joel Zarpellon Mazo
President of the IPA Section in Brazil
